District Festival Chairman, Teachers, and Counselors:

The \$150 OFMC Summer Music Camp Awards Scholarship are for students in grades 6 – 12 who have earned **three-years of CONSECUTIVE SUPERIOR or UNANIMOUS SUPERIOR** ratings at an OFMC Junior Music Festival. The students may participate in an event different from the event in which they performed at the Festival. Students should be at the Moderately Difficult level for piano and the Medium Level in strings. Students must belong to a Junior Music Club or have paid \$15 to be an OFMC Junior Special (individual) member. US citizenship is required.

The summer music camps **must be located** at OFMC affiliated colleges and universities **in Ohio**. OFMC will provide \$150 to the college (which should be deducted from your payment) toward the cost of the tuition for each selected student. The cost of the accommodations, meals, and transportation is the responsibility of the student.

The applications need to be filled out and returned to me **no later than May 1**. There are 20 available scholarships of \$150 each. Please make additional copies of the attached application for your students who qualify. Applications are also available at www.ofmc.org.

The following is a list of the affiliated schools of music with the school's website and phone no. Please contact the school for information about their summer program. (Most applications are now available on-line.)
