

Hello everyone,

This is the Official Call for the annual **OFMC Executive Committee and Board of Directors Meetings for 2020**, which will be held concurrently on **Friday, May 21, 2021 from 9 to 10:45 a.m. We will meet at the Kinsman House – Warren Heritage Museum, 303 Mahoning Ct NW, in Warren, OH 44483.**

Attached is a pdf file listing elected and appointed officials of the OFMC and who serves on which board, as outlined in our Bylaws. Also attached should be a schedule of and registration for the convention, and hotel information, a total of four attachments. (The block of rooms is held until [today](#), April 20<sup>th</sup>, so please reserve a room now.)

I hope you will make every effort to attend. Get your shots. Bring your masks. Although we will be socially distanced, the more the merrier. We have a number of items to discuss and vote on, and open positions to fill. The Juniors Day on Saturday should be particularly interesting. If you are unable to attend, please send me an email by **May 7** and include a **written report** of any items concerning your area of responsibility.

Minutes from 2019, financial reports and budgets and such will also be included in an email to everyone one week before our meeting. This should cut down on time where reports are read and give us more time to address issues raised.

2020 has taken a toll on us personally, as well as our local clubs, and our state organization. As more and more members become vaccinated and we ease into a post-pandemic world – which is not here yet – we need to begin to make plans and take steps to reconnect to the community we have thru music.

Please email or call me to confirm your planned attendance or need to be excused.

Thank you for your efforts and dedication to our organization and to your individual responsibilities.

“Music builds community. Communities support music.”
