JUNIOR COMPOSERS CONTEST – RULES

ELIGIBILITY: Entrants must be United States citizens and members in good standing of NFMC, either as a Junior Club/Junior Associate Group member or as an Individual Junior Member. (Individual Junior Members are those who are either from a state with no NFMC chapter or students whose teachers are not members of NFMC.) A teacher need not be a member of NFMC, but the student must then join NFMC as an Individual Junior Member before or at the time of registering for the contest. This contest starts at the state level. If an Individual Junior Member is from a state where there is no NFMC chapter, that Junior must contact the National chair for assistance by January 1. First place winners at the National level from the previous year may enter the contest in the same age class again but may not be a first place winner in that class again.

TYPE OF ENTRY: Compositions may be for keyboard, voice, other instruments, or any combination.

AGE CLASSIFICATIONS: Your age as of March 1, 2022, determines your class.
- Junior Class I: ages 9 and under
- Junior Class II: ages 10-12
- Junior Class III: ages 13-15
- Junior Class IV: ages 16-18

PROCESS FOR SUBMISSION:
To enter this contest, four items are necessary: the most current National Application form JR7-2 filled out and signed in PDF format, composition score in PDF format, recording in MP3 format, and payment of state and national fees, including any membership fees needed.

- The current National Registration form JR 7-2 in printable PDF format can be found at [https://www.nfmc-music.org/competitions-category/junior-composers-awards/](https://www.nfmc-music.org/competitions-category/junior-composers-awards/) You may download the form, directly type in your information, save to your computer, print, obtain all the signatures and scan as a PDF. The application form must be signed before being submitted in the online registration process. Contact your state chair for the applicable fees and deadlines. State chairs and deadlines are found here: [https://www.nfmc-music.org/junior-composer-regional-state-chairmen/](https://www.nfmc-music.org/junior-composer-regional-state-chairmen/)

- Composition scores may be produced and notated via a notation software program or hand notated. They must have the title, composer’s name, age as of March 1, 2022, and class in the upper right corner of each sheet of the composition. If there are lyrics, the name of the lyricist must appear in the upper left corner. In order to get credit for a vocal line as an additional instrument, students must notate a melody for the singer, not merely write lyrics between the staves of a piano score. The scores must then be converted or scanned to PDF and submitted in that format online at the NFMC registration portal.

  ***Label the PDF file in this manner: Class #, Last name, first name, title of composition. For example: 4, Doe, John, My Composition Name.

- Recording: The composition must be digitally recorded in MP3 format only.

  ***Label these recordings in the same manner as the score: Class #, Last name, first name, title of composition.

- Fees to participate in the contest are determined by the state and are payable online during the registration process at the NFMC website. Individual Junior Members must also pay a membership fee of $13 on the NFMC website. Visit [www.nfmc-music.org/payment](http://www.nfmc-music.org/payment) to pay all fees.

- Using the NFMC online registration portal ([www.nfmc-music.org/applicant-file-upload](http://www.nfmc-music.org/applicant-file-upload)), submit, by the state’s deadline, the online application, the composition score in PDF format, and the MP3 digital file. In addition, fees must be paid while at the registration portal.

CONTEST TIME FRAME: Students will receive the state judge ratings on or around March 15. The state judge will include comments about the composition that are meant to help the students advance in their composing skills. The state judge will choose two entries from each age class to progress to the regional level by March 1. At the regional level, no comments from the regional judge are given, only selection of student winners occurs. The top
two students in each of classes I and II and three students in each of classes III and IV will be given cash awards of $100 and their entries will be sent to the national level on April 1. The national judge will complete his/her work by May 1 and will determine winners with applicable cash awards. Only rankings, not comments, will be given by the national judge.

***Ties are not permitted at any level of the contest.

**FEDERATION CUP AWARDS:** Although the Junior Composers Contest is no longer a part of Junior Festival, students may work towards Federation Cups in the same manner as entrants in Festival.
