Junior Club

This is your club for your students.

All students participating in any OFMC/NFMC event must be a member of OFMC through one of the two junior club options below.

- Junior Club- This is your club that you will register your students under (e.g., my junior club is Alison Morris Piano Studio. Most teachers/counselors use this option.
- Junior Individual- This is an option if you are only entering one or two students.

*** Please contact Alison Morris at alisonmorris@live.com for this form.***

Do your best to estimate the number of students you will be entering. For any counselors exceeding 16 members after Nov. 1, please send another check for \$2/add'l student and a sheet of paper including your name, district, and number of additional students.

And finally, **PLEASE remember to circle which district you are in.** If you are unsure, contact your chairperson. Figuring out where dozens of teachers belong is VERY time consuming.

THANK YOU ALL!
